## **ABOUT THE INSTITUTE**

Sri Ramasamy Memorial Engineering College (SRMEC) was started in the academic year 1985–1986 at Kattankulathur, Kancheepuram District, Tamil Nadu. This is one of the first of a few engineering colleges started under the self financing scheme of the Tamil Nadu Government to meet the increasing demand for technical education.

SRM Engineering College has obtained the highest grade of accreditation from National Board of Accreditation, New Delhi. Now SRM University has added another feather to its cap. It is a matter of pride that the B.Tech - Electronics and Communication Engineering Programme of SRM University, Kattankulathur, Chennai, is the first and only one in India to get accredited by the Engineering Accreditation Commission of ABET.

After the birth of SRM University in the year 2003, the Faculty of Engineering & Technology (E&T) was carved out which now contains all the schools and departments related to Engineering & Technology, Management and Architecture. The University functions in four campuses, namely, Kattankulathur, Ramapuram, Ramapuram Campus – Part Vadapalani – (all in Tamilnadu) and Modi Nagar (UP). The main Kattankulathur campus is located in a sylvan campus skirting the National Highway (NH45), about 15 kilometres from Tambaram. The campuses occupy a total area of 250 acres.

The campuses consist of buildings with a builtup area of about 7,89,650 sq.m for laboratories, workshops, library, classrooms, staff quarters, guest house, administration, IT park, post office, bank, gymnasium, indoor games, hostel for boys and girls and other facilities.

Further, the University has a multi purpose Dr. T. P. Ganesan Auditorium having a seating capacity of 3100 persons. In addition, there are two fifteen storied buildings – Tech Park and University administrative building.

SRM University is run by Valliammai Society. The motivating force behind it is our dynamic Chairman and Founder Dr. T. R. Pachamuthu. The Management has been rendering yeoman service to the cause of education in our country.

## UNIVERSITY LIBRARY

*Do not despair because of failure. From your particular failure there is a special greatness, a peculiar wisdom, to be gained; and no teacher can lead you to that greatness, that wisdom, more surely and swiftly than your experience of failure. In every mistake you make, in every fall you encounter, there is a lesson of vital importance if you will but search it out; and he who will stoop to discover the good in that will appear successful.*

## **CAMPUS FACILITIES**

### **PLACEMENT**

SRM University, over a period, has earned a name for itself in campus Placement. The Placement Cell, headed by the Dean is very active in attracting the best of companies to the campus. New recruiters as well as recruiters in niche segments visit the campus for recruiting fresh talents from the Faculty of Engineering and Technology.

The Placement Officer and his team along with the HODs and Placement Coordinators of various departments strive to impart the necessary training to the students so that they are well-prepared for campus recruitments.

Continuous feedback from the industry helps in shaping up the Placement process.

### **TRAINING**

Training is designed to aid students in their preparation for recruitment. All students go through personality development course to enhance their communication, verbal and logical reasoning abilities.

Students from different states and backgrounds find this very useful as this bridges the gap between their academics and employability. Students take the psychometric test and a detailed report gives them an analysis of their employability traits and areas for improvement. This enables the student to focus on their strengths and improve on areas for growth.

Basic sessions on aptitude and personality development are carried out along with academic curriculum from I semester onwards.

Special training to prepare students for CAT, G-MAT, TOEFL is also available in the campus.

### **COUNSELING SERVICE**

Students sometimes encounter issues that they are unable to resolve due to 'transition to college life'. Some common concerns that confront students include anxiety of exams, change in culture, low level of confidence, problems in relationships and hostel life, decision making dilemmas, academic problems or adaptability to new environment. Counseling gives a chance to talk one's mind. All matters of discussion during the Counseling are kept confidential.

The Chairman of the Alumni Office, Prof. R. Venkataramani, the Secretary, Prof. A. N. Parameswaran, the Treasurer, Mr. K. Wordsworth Manivannan and the Principal Coordinator, Dr. Deeptha Thattai take care of the functions of the office. The major objectives of the association are to enhance coordination between SRM University and its alumni, to improve the interaction of alumni with the students and faculty members, to explore areas of interactive research between established alumni and the University and to look after the interests of SRM alumni. The association also provides scholarships to needy students. The web page of the Alumni Association was set up and went online in January 2009, enabling the registration of alumni.

The URL for the site is <http://www.srmalumni.com>. Discussion, chat and internal email, job links, search facilities for alumni to contact their friends are some of the provisions available for registered alumni. Five alumni chapters have been inaugurated both in India and abroad. The alumni chapters are fully independent and the Alumni Office facilitates their smooth running. The chapters are at Singapore, US East Coast (New Jersey), US West Coast (California), Bangalore and Chennai. One of the major activities of the Office is to invite the alumni to visit the campus and host them during their visit. Alumni are also invited to meet the students, interact with them and guide them on their future. Another initiative of the Office is to conduct reunions of groups of alumni at the campus. The future plans are to increase the number of chapters, set up an Alumni Centre and to increase the involvement of alumni through contributions such as sponsored labs, donation of books to library and joint research collaborations.

## **ACADEMIC CALENDAR**

**JUNE 2011–MAY 2012**

There is only one right way of doing everything, even the smallest, but there are thousand wrong ways. Skill consists in finding the right way and adhering to it. Thoughtlessness and inefficiency go together. There is plenty of room in the world for thoughtful and efficient people. The good workman, whether with tools or brains, whether with speech or thought will always find a place for the exercise of his skill.
